

And... ACTION!

The Abenteuer Afrika Action Venue begins in our freeform tent set up in a wind-free canyon among the Swakopmund dunes, and is the focal point from which all activities take place.

Chairs and our Leisure Lounge are available for guests who would like to relax while their more energetic colleagues participate in one or more of the following:

Sand-boarding, quadbiking, paragliding, Living Desert Tours, hot-air ballooning, Camel-riding, volleyball, horse riding, Tug of war, laser clay pigeon shooting and even spa treatments!

Beverages and snacks can be served at the Action Venue and we can also set up a separate luncheon – including a wine-tasting - once the activities are concluded.

It's no wonder that Swakopmund is often referred to as the Adventure Capital of Africa!
